

The contractors listed below have expressed an interest in doing sidewalk repair work within the City of Ann Arbor and have sent one or more representatives to attend a class taught by City staff in 2010 covering the City's construction standards and permit requirements for sidewalk work. The City may from time to time remove contractors from the list that have an ongoing failure to complete work or otherwise comply with City permit requirements. However, the City does not guarantee that every contractor shown on the list at any point in time is in compliance with all permits it has pulled. The City makes no representations as to the quality of the work of these contractors and does not endorse any of the listed contractors. This list is not an exclusive list of contractors who may be interested in and able to do sidewalk repair work within the City of Ann Arbor.
